Bill Neale Says:

I am buying any clean late model cars. I pay top dollar, or we will gladly handle your car on consignment. Incidentally, now is the time to buy that late model car. Proof is that I am being offered almost as much from wholesale buyers as I am asking retail for our cars. Retail prices can only go one way—UP. Don't put off buying your car today. Station wagon—Station wagon buyers, I have a beautiful 1949 Ford wagon with the all metal body. Price is right. We have an original finish jet black 1947 Chevrolet aero sedan, fully equipped. See it—drive it. See if you don't agree it's the nicest in town. Many other clean cars of all makes to choose from.
